

# Girls Lacrosse

Grades 5-8

We are excited to announce we are teaming up with Detroit Lacrosse Club and our new youth girls' head coach, Corei Snyder.

Corei attended Oakland University and studied Business Administration. She started coaching girls lacrosse right out of high school at Cranbrook Kingswood as their head junior varsity coach from 2008 - 2013. She then assisted forming the Girls Fury Lacrosse Program (part of the Detroit Lacrosse Club) in 2014. Currently, she is the head fall and winter administrator for DLC.

In addition we will have Sherry Pifer-Elliott, Director of DLC and Head Coach Since 2009. From 2001 till 2013 Sherry coached at Cranbrook Kingswood, one of the top varsity girls lacrosse programs in the state of Michigan. Sherry saw the benefits that Detroit Girls Lacrosse Club could have in promoting the game of girls lacrosse at all levels in Michigan.

Since 2009, DLC has grown tremendously, becoming Michigan's premier club lacrosse program for girls. Teaching and mentoring young female athletes to become the best they can be both on and off the field, as well as, helping on average, 70% of each graduating class with DLC's Coyote Travel go on to play in DI, DII, DIII or Club College programs. DLC is now recognized now by many college programs and its teams are playing in top recruiting events, competing with some of the best club programs in the nation.
